

EXTENSIONS OF REMARKS

IN RECOGNITION OF THE LIFE AND MEMORY OF RENEE SPAAR

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, April 18, 2022

Mr. CLEAVER. Madam Speaker, I rise today with a heavy heart to honor the life of Ms. Renee Spaar and recognize her for the tremendous work achieved in the Odessa community. Renee loved her community and would stop at nothing to help the people within it. She truly was an amazing person to work with and a pioneer in education for the Odessa School District and school districts throughout Lafayette County, Missouri.

Her career began after graduating from Southwest Missouri State University in 1982 at The Odessan, where she would go on to develop the Newspapers in Education program. Through this program Renee was able to link real-world experiences to the classroom, promote lifelong learning, and develop reading habits by advancing the use of a newspaper in the classroom to promote literacy for kids across the Odessa area. Additionally, she was one of the founding members of the Odessa Outreach, an organization created to help serve and fund local non-profits in the area who need assistance. Renee's life will be remembered for her passion for education and outstanding work for everyone in her city. She always found a way to overcome any difficulties she faced in her long, dedicated career to service, and in doing so remained positive no matter what.

Renee was loved by many and in return loved all that she encountered. She was described by her peers as always having a bright smile on her face, a joke to tell, and uplifting for those who needed it. She was an enjoyable person to be around and would light up every room she walked into. We should all strive to be as happy, loving, and gracious as Renee was in her admirable 61 years of living. She will be deeply missed, but her long-lasting impact and legacy will live on for years to come. I would like to offer my condolences to all that knew Renee and her loving family and remember her for the outstanding work she did for the Odessa community. May her memory be a blessing.

IN RECOGNITION OF THE INAUGURATION OF BAY PATH UNIVERSITY PRESIDENT SANDRA J. DORAN

HON. RICHARD E. NEAL

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 18, 2022

Mr. NEAL. Madam Speaker, I would like to take this opportunity to congratulate Sandra Doran on being inaugurated as the sixth president of Bay Path University in Longmeadow,

Massachusetts. As Bay Path marks their 125th anniversary, I could not think of a more appropriate platform to celebrate the inauguration of President Doran.

Over the past 18 years, President Doran's experience in academics has culminated in her becoming a leader in higher education. Most recently, President Doran served as President of Salem Academy and College in Winston-Salem, North Carolina, the nation's oldest women's college. In just two years, President Doran helped develop and implement a plan to bring financial stability to Salem College, while transforming their academic programs to educate future generations of female leaders. Prior to beginning her academic career in 2004, President Doran worked in the private sector for 18 years, building a unique skillset that will serve her well in her new position at Bay Path.

In 1897, Bay Path University was founded upon the ideals of providing career-focused educational programs and providing students with the resources needed to affect real change in their communities. Offering 71 all-women undergraduate programs, and 33 co-educational graduate programs, Bay Path prides itself on empowering its diverse student body of more than 3,000 students to help women close the wage gap and stem the cycle of poverty. President Doran has demonstrated her commitment to these fundamental issues throughout her career, and that is why I am confident she will be a strong leader and outspoken advocate as Bay Path begins a new era in the institution's history.

Madam Speaker, I would like to once again congratulate President Doran on being inaugurated as the sixth president of Bay Path University. Bay Path is a cherished institution in Massachusetts' First District, and I wish their faculty, staff, student body, and new president, Sandra Doran, many more years of success and prosperity.
